**(A Unit of CSIR, Govt. of India)**

4-Raja S.C Mullick Road, Jadavpur  
Kolkata 700032  
West Bengal

Invites applications for  
**Summer Training - 2010**

## **Objectives**

The aim is to let young minds feel the thrill and excitement of science by working on a project requiring application and critical appreciation of scientific principles.

It also aims at active participation in the learning process through experimentation and putting into practice the knowledge acquired in the classrooms. The program gives students an opportunity to gain research experience and work closely with a scientist.

## **Programme:**

**Summer Training / Project Work (PW) / Dissertation Work (DW)**

Period of training: **March to August 2010** (minimum 2 months maximum 6 months).

## **Eligibility :**

- The Student must be **pursuing Postgraduate course** from a recognized University/ institute /college in the relevant area.
- He/ She must have secured at least 60% marks throughout his/ her academic career (From High School onwards).
- Training **should be essential for the candidate's course curriculum.**

[Those who are pursuing undergraduate courses including four years B.Tech programmes are **NOT** eligible for this Summer Training Programme.]

## **Guidelines for students**

### **How to apply**

- Application in plain paper mentioning applicant's name, address for correspondence, e-mail address, phone number are required to be indicated.
- Bio-Data and academic records of the Student mentioning percentage of marks obtained in different examinations from school final onwards indicating name of the college/University/Institute where studied. (Do not send photo copy of the results)
- Marks obtained in grade point, if any, is required to be calculated in terms of percentage.
- Only **hard copy** of the documents will be accepted.
- Original Copy of the Recommendation Letter of the Principal/ Registrar /Head of the Institution /University, mentioning the training programme sought is essential for the candidate's course curriculum.
- Area(s) in which training is requested is to be mentioned. [Different areas of ongoing Research work can be available at IICB website [www.iicb.res.in](http://www.iicb.res.in)].
- Date & Period of ST /PW /DW applied for [Recommendation letter from HOD/Principal must indicate the period of training]
- Applications are to be sent **by post** in the following address or may be delivered to the **Receiving & Dispatch Section, IICB**. The envelope containing the above documents is to be super scribed as **SUMMER TRAINING-2010**.

## **Dates to be remember**

### **When To Apply**

Applications for the above training programme-2010 will be received only during the period from **17th September to 18<sup>th</sup> November 2009**.

### **Selection / Result**

After screening the valid applications and subject to availability of accommodation in different scientist's laboratory, name of the selected candidates will be posted in IICB web site [www.iicb.res.in](http://www.iicb.res.in) tentatively in the **3rd week of January 2010**.

### **Training Fees & Accommodation**

- There are no fees or tuition costs associated with participation in the summer training /project work or dissertation.
- The students have to make their own arrangements for accommodation in Kolkata, if selected.

### **NOTE:**

- ⇒ **Incomplete and invalid applications in any respect will be summarily rejected & no correspondence in this regard will be entertained.**
- ⇒ **Applications received after the closing date will not be entertained on any ground including postal delay. The decisions about the selection will be final and no correspondence will be entertained in this regard.**
- ⇒ **Application through Email will not be accepted.**

### ***Information***

For any further information [except enquiry about results/selection or status of the application] email to: Dr.Siddhartha Majumdar  
<siddhartha@iicb.res.in>.

Guardians/students are requested not to contact the undersigned ***over phone or by visiting personally*** regarding their application and selection.
