Date 29-01-2010

As per our advertisement, the priority list of “Summer Trainee-2010” [March to August] for the eligible applicants have been prepared which has further been forwarded to the concerned scientists/Project Leaders of IICB. Depending upon the suitability of the students and acceptance of the scientists, the final result (first list) will be prepared and to be posted in IICB website. We are expecting to post the result tentatively by 09th February 2010.
